

DECORATE YOUR OWN CANDLE!

Materials

- Candles
- Wax Paper
- Colored Sharpies
- Tape
- Hairdryer
- Printer paper
- Tissue paper

Instructions

1. Tape a piece of tissue paper the size of the candle to a piece of copy paper.
2. Draw, write, design on the tissue paper with the markers.
(Copy Paper will protect your workspace)
3. Cut out the design. It is important to cut away as much excess as possible.
4. Tape the tissue paper to your candle. Then cover with a piece of wax paper. Make it tight. Use the hairdryer and move it back and forth over your design for 1 minute on high.
5. Peel back the wax paper and make sure the design is stuck to the candle. If not keep heating.
