

LIGHTNING ROUND

Games you can play in
10 minutes or less!

Stack It Up:

Keep one arm behind your back and try to be the first player to stack 25 pennies.

Cookie Face:

Give each player one cookie. Place the cookie on your forehead and try to get the cookie to your mouth without dropping it or using your hands. The first player to get the cookie to their mouth wins.

Purse Scavenger Hunt:

Set a time for 1-3 minutes and have each player make a list of random things women have in their purses. The women with the most answers (or most creative answers) win the round.
