

# DIY SHAVING LOTION

This super simple DIY shave lotion takes less than 5 minutes to make, and will leave your skin feeling soft, silky, and smooth. Just use your favorite products that you already have at home to create your own personalized product!

## **Ingredients**

- 1 cup shampoo
- 1 cup conditioner
- 5 Tbsp lotion
- 5 Tbsp baby oil

## **Instructions**

1. Mix, let stand one hour, place in a bottle.
2. Store in the shower with other products, use quarter-size amount when shaving.
