

# THE ROLE AND THE WIN

---

## GROUP LEADER

Who do I report to? **GROUPS Coach**

What is the goal of this role? **Lead and Pastor the members of your group toward health and high impact, giving clarity and guidance toward their spiritual next steps for the current season and then the season to come.**

How do I define the wins?

- 1 **Group members feel known, loved and challenged.**
- 2 **Group members develop healthy interpersonal connection with other members of the group.**
- 3 **Group members participate consistently in group gatherings.**
- 4 **Group members end the semester with a clear direction on their next steps.**

How do I reach the wins?

- 1 **Intentional communication throughout the semester with every group member.**
- 2 **Intentional preparation for every group gathering.**
- 3 **Strategic One on one interactions with group members outside of the regular group time.**
- 4 **Use resources provided by staff/coach to assist with next steps pursuits.**

What skills are needed to win?

- 1 **Empathy/listening skills.**
- 2 **Administrative**
- 3 **Teaching/group facilitation.**
- 4

### What makes my role valuable to the team?

Every relationship that leads to a next step in someone's journey with Jesus is a win for the entire Groups Ministry.

Every Step of Freedom taken through the Holy Spirit in a participant changes them and has the power to change others around them.

Every interaction that increases trust in the power of community now has the power to increase vulnerability and openness in the future.
