

LEADERS COMMITMENT

biblical standards for spiritual leadership

1. KNOWLEDGE of Biblical Standards

“ **1 Timothy 3:8-12 NIV:**

In the same way, deacons are to be worthy of respect, sincere, not indulging in much wine, and not pursuing dishonest gain. They must keep hold of the deep truths of the faith with a clear conscience. They must first be tested; and then if there is nothing against them, let them serve as deacons. In the same way, the women are to be worthy of respect, not malicious talkers but temperate and trustworthy in everything. 2. GUIDELINES for Leadership Honor Code

As a leader, you are an essential part of our Next Level Church family. We have a responsibility to develop and exhibit mature Christian character through our actions and behaviors as we lead others.

1 Timothy 3:13 NIV

Those who have served well gain an excellent standing and great assurance in their faith in Christ Jesus.

As Christians, the way we present ourselves to others is of vital importance to the way others perceive Christ. Our conduct should never be a misrepresentation of Christ but should exemplify the best qualities of a mature believer and servant leader.

While serving the Body of Christ as a leader at Next Level Church, we commit to representing Christ in all we do. In our thoughts, words, behaviors, and attire, we seek to model the Biblical Standards in all situations.

Exemplifying the highest moral commitment, Next Level Church leaders are to maintain a disciplined lifestyle of Bible reading, prayer, and fasting (SOAP, SOAK, and SEEK). We must also refrain from such things as:

- Profanity
- Smoking or chewing tobacco
- Gambling
- Indulging in much wine or other alcoholic beverages
- Dishonest gain
- Illegal drugs
- Pornography
- Sexual immorality
- All behaviors which might cause Christ to grieve and others to stumble

By providing an example in speech and action, we lead others to become fully engaged followers of Jesus. This is a way of life measured by the heart and commitment of each leader in this House. We should regard it as an essential part of our development that we desire because of our love for God and God's love for us. This is not to be viewed as an imposition or restriction.

3. PEER ACCOUNTABILITY

Accountability with brothers and sisters in the Next Level Church family is of deep spiritual importance. When we surround ourselves with accountability, we limit the access that Satan has to us and increase our opportunity for vulnerability and authentic community.

James 5:16, 19-20

“Therefore confess your sins to each other and pray for each other, so that you may be healed. The prayer of a righteous man is powerful and effective ... My brothers, if one of you should wander from the truth and someone should bring him back, remember this: Whoever turns a sinner from the error of his way will save him from death and cover over a multitude of sins.”

Accountability as described in this passage has the powerful potential to change the course of someone’s life. The key to accountability is prayer. Accountability is not designed as an avenue to vent our frustrations or to gossip, but to receive healing and redirection toward our loving Heavenly Father. We all need of a safe place where we can be real, and the other person can sharpen us in return to become more like Him.

Components of Healthy Accountability:

- **Vulnerability** – The health and effectiveness of accountability are directly correlated to the level of vulnerability of the individuals involved. The deeper the level of vulnerability, the healthier and more effective accountability will be. No sector of life should be off limits, and nothing should be left in the shadows. The goal is to continue to bring darkness to the light for the purpose of healing.
- **Communication** – All sharing should be done in a confidential manner that exhibits both the truth and grace of the Gospel of Jesus Christ. No truth that would help your brother or sister become more like Christ should go unsaid and everything that is said should be said in love.
- **Prayer** – The goal of vulnerability is not just to share information and to create personal accountability. Rather, it is to spiritually carry the burden of one another in prayer as described in Galatians 6:1-2. “Brothers and sisters, if someone is caught in a sin, you who live by the Spirit should restore that person gently. But watch yourselves, or you also may be tempted. Carry each other’s burdens, and in this way you will fulfill the law of Christ.” We should be creating a spiritual covering of protection by praying for each other continually (1 Thessalonians 5:17). We should be praying with each other when we are together and we should be praying for each other when we are apart.
- **Timing** – Regular communication via text, phone calls, or meeting in person will help to provide real-time support and accountability. Determine a rhythm that works best for you and those you are in accountability with and stick to it!

4. NEXT STEPS:

Perfection is not the goal – that is why we have Jesus! The goal is that daily our lives would be “pointed” (in every area) toward the direction of becoming more like Jesus Christ. Which way is your arrow pointing?
