

## TEAM & TEAM MEMBER DESCRIPTIONS

### HOST TEAM:

The Host Team gets to connect with every person as if they were walking in the front door of our home! At the foyer entrance, this team gets to be the friendly, familiar faces that become a safe place to ask a question, get direction, or take a next step.

### DOOR HOST:

The Door Hosts have the opportunity to make church feel more personal and familiar by remembering people's names, noticing the new haircuts, and always being ready to share genuine compliments and warm greetings near the front doors.
