

SERVE TEAM RESPONSIBILITIES

Medical Response Team Member

WEEKLY PREPARATION:

1. Promptly respond to scheduling requests.
2. Read emails and texts from safety leaders.
3. Attend safety trainings when able.

BEFORE SERVICE:

1. Pick up radio, earpiece, medical kit.
2. Conduct radio check.
3. Inspect medical kit and AED for servicability.
4. Attend briefing/huddle.
5. Be at assigned location at directed time.

DURING SERVICE:

1. Continually monitor assigned communications.
2. Respond to any medical request promptly
3. Be alert and observant for conditions or people that could impact the safety of our environments.
4. Provide medical support and aid as needed, within the scope your training and abilities.
5. Assist the safety team in emergencies, such as fire alarms or similar situations.
6. Stay on assignment until relieved.

AFTER SERVICE:

1. Return radio, earpiece and medical kit.
2. Ensure that team leadership is aware of any aid performed and what supplies were used.
3. Ensure that any required reports are completed.
