

TEAM & TEAM MEMBER DESCRIPTIONS

WORSHIP:

Leading worship services and experiences through a combination of live music and production. Student Ministry Worship is comprised of two teams, Music and Production, with the music team consisting of band and vocals.

BAND:

This team practices and executes the music portion of our services, excluding singing. They are responsible for fostering creative and dynamic sets through the use of their gift of playing instruments such as guitar, bass, piano, and drums.

VOCALS:

This team practices and executes the music portion of our services through singing and vocally encouraging the congregation in worship. They are responsible for guiding the church through songs that bring glory to God and sing of the truth from His Word.

PRODUCTION:

This team practices and executes the live production of our services. They are responsible for leading our congregation through the projection of lyrics, motion graphics, slides, videos, and message notes, as well as the operation of the sound console and lighting console.

(See Worship Playbook for more information on this team)
