

THE ROLE AND THE WIN

Audio Engineer

Who do I report to on Sunday? Service Producer

What is the goal of this role? To create a soundscape that is dynamic, comfortable for first-timers, and safe for our congregation's hearing.

How do I define the wins?

1. **Touch someone's Heart Today!**
2. **See** – Created a distraction-free environment.
3. **Connect** – Assisted leading people into worship to connect them with their Heavenly Father.
4. **Hope** – Amplified what God did in our services giving attendees the opportunity to engage in worship and be filled with hope.

How do I reach the wins?

1. Come to the huddles and spend time preparing your heart in prayer prior to serving.
2. Be in alignment with the Music Team and Communicator.
3. Set an atmosphere that's sensitive to the Holy Spirit.
4. Mix matches the energy of the moment.

What skills are needed to win?

1. Understanding the operation of our sound console and software
2. Intuition to the Holy Spirit and a creative mindset
3. Understanding the flow and dynamics of the service

What makes my role valuable to the team? The audio in the room is a key factor in creating an intimate and comfortable experience for our congregation as they worship God and receive his word.
