

THE ROLE AND THE WIN

Lighting Engineer

Who do I report to on Sunday? Technical Director

What is the goal of this role? To create an atmosphere with lighting that is comfortable for the first-timer and vibrant, as well as being in alignment with the projection engineer.

How do I define the wins?

1. **Touch someone's Heart Today!**
2. **See** – Created a visually distraction-free environment.
3. **Connect** – Assisted leading people into worship to connect them with their Heavenly Father.
4. **Hope** – Visually reinforced what God did in our service, giving attendees the opportunity to engage in worship and be filled with hope.

How do I reach the wins?

1. Come to the huddles and spend time preparing your heart in prayer prior to serving.
- 2.
3. Lights match the energy of the moment.
- 4.
5. Set an atmosphere that's sensitive to the Holy Spirit.
- 6.
7. Be in alignment with the Projection Engineer.

What skills are needed to win?

1. Understanding the operation of our lighting console and software
- 2.
3. Intuition to the Holy Spirit and a creative mindset
- 4.
5. Understanding the flow and dynamics of the service

What makes my role valuable to the team? The lighting in the room is a key factor in creating an intimate and comfortable experience for our congregation as they worship God and receive His word.
